<https://bit.ly/3Ac3ULf>**

RCE Greater Atlanta is regional sustainability network that supports implementation of the UN Sustainable Development Goals at the regional level through education and training.

Higher Education Learning Community (HELIC) is a working group that aims to facilitate faculty and research-active student engagement with the SDGs in a collective learning environment. Participants include faculty and research-active students from Emory University, Georgia State University, Georgia Tech, Kennesaw State University, Morehouse College, Spelman College, and the University of Georgia.
